September 2017

Dear parents/carers,

The Bradley Youth Festival is to be held at Grimsby Town Hall from Friday 17th to Sunday 19th November this year. There are classes for music, speech and drama.

For the last few years we have entered children from school but this year the Speech classes are on the Sunday morning. Our school Christmas Market is also on that weekend, so we won't be entering as a school. However I thought you may want your child to enter the competition separately.

I have the booklet and details at school and the closing date for entries is Sunday 1st October. You are welcome to come and get more information.

We are holding our own Poetry Speaking competition for years 3-6 on Friday 20th October and details are on our website now. www.healingprimary.co.uk.

Yours sincerely

Mrs Wood

Headteacher
