Pupil and Parent Questionnaire Results 2017

Dear Parents / Carers

Thank you to all those who responded to the questionnaires. We are delighted with all of the positive responses and we are very happy to report that there were no significant areas in which you felt dissatisfied.

Thankyou for your support with homework and reading at home. We always receive as many 'too much' as 'too little' responses to homework. In this case it was 1% of parents who felt there was too much homework and 2% who felt that there was too little. When we analysed the children's responses, 14% of our pupils felt that they were not encouraged to read at home at least 3 times a week. We constantly review our homework policy and welcome any feedback. If anybody would like us to run workshops, such as reading workshops, please do not hesitate to contact us.

Likewise in response to the 1% of parents who felt unhappy with the provision of extra-curricular opportunities, we are constantly reviewing the clubs that we offer to children. There will be a letter sent out shortly with this year's clubs on offer.

Thank you once again for your support.

Yours sincerely

J Wood
