

Dear Parent/Carer,

The NSPCC's *Speak Out, Stay Safe* programme is visiting our school to make sure our pupils have the knowledge and understanding they need to stay safe from abuse.

I'm pleased to tell you that we will be working with the NSPCC, the UK's leading children's charity, who'll be delivering their ***Speak out. Stay safe programme* on 7th June 2018.**

This is a nationwide programme for every primary-school-aged child in the UK and Channel Islands. With the help of their friendly mascot Buddy, they'll be presenting an assembly to the children in our school as well as a workshop for Years 5 and 6.

**"NSPCC has helped me to build the confidence to tell people about my worries and problems."
Child's feedback**

On 11th and 12th June our Pupil Council will be organizing a cake sale at breaktimes to raise money to support the NSPCC and the fabulous work they do. These are also our Sports Days this year so we will have a collection for the NSPCC at these events. Can we thank you in advance?

What is the *Speak Out, Stay Safe* programme?

Through child-friendly, interactive assemblies and workshops, specially trained staff and volunteers will give our children information about how to keep themselves safe from harm and how to get help if they have any worries. They will, sensitively discuss issues like bullying and sexual abuse, without using scary words or adult language.

We have studied the content of the materials and heard from other schools who have participated and are extremely confident that they are appropriate for primary-school-aged children. By the end of their visit, we're convinced children will feel empowered – knowing how they can ***Speak out and stay safe***.

**"My daughter thought the volunteers were fantastic, really real people, very warm and friendly."
Sally, Prestatyn**

Talking **PANTS with your children**

The NSPCC's work in schools will help encourage conversations about staying safe – and they have a number of child-friendly materials to help you carry on the conversation afterwards. That includes 'Talk PANTS', a simple way for parents to help keep children safe from sexual abuse – without using scary words or even mentioning sex.

The guide uses the rules of PANTS to teach children that their body belongs to them and them alone. You can find out more and download the free resources at nspcc.org.uk/pants
