

# Healing Primary Matters June 2017

## Summer Fair

Our Summer Fair will be a BBQ on Friday 14<sup>th</sup> July 2017 from 3 – 6pm. A letter has been sent out for you to order burgers/ sausages.

## Mrs Waller's retirement

A letter has gone home tonight to let everyone know that Mrs Waller will be retiring when we finish in July. ☹️

## Water Bottles in school

Children in Years 1 – 6 should have a water bottle with them in school which they take home for washing every night. If they are not taken home they may be thrown away to prevent any outbreak of Legionella poisoning.

## BUDGET CUTS

Classes next year will be organised in quite a different way. This is in response to some quite significant budget cuts which we (along with most schools) will be facing. Can I remind everyone that we are actually a 1.5 intake school so we admit 45 children in each year group. We are only funded for 3 classes across 2 year groups. However we are excited about our teaching team and we know that all the children will have a great year.

Snacks in school Please only send healthy snacks into school

Sun Cream Please apply sun cream every morning from now on. If children have sun cream in school they must be able to apply it themselves. A hat would be great too as it gets really hot at lunch times.
